

Privacy Policy

This Statement of Privacy applies to the use of the mobile application for USALIMS and governs data collection and usage. By using this mobile application, you consent to the data practices described in this statement.

Collection of your Personal Information

Acclaim Systems does not collect any information from this mobile device. All data that you enter into this system is for the purpose of sending data to a specific Laboratory Information System (LIMS). The data submitted to LIMS is submitted freely by your action and is governed by the privacy policy of the LIMS system. It is your obligation to understand the privacy policy and use of data that is submitted to the LIMS system of your choice.

Use of your Personal Information

Acclaim Systems does not use any data that captured via the mobile device. This is because Acclaim Systems does not collect any data. It is your obligation to understand the privacy policy and use of data that is submitted to the LIMS system of your choice.

Sharing Information with Third Parties

Acclaim Systems does not share any information with any third parties as we do not collect any information. It is your obligation to understand the privacy policy and sharing of data that is submitted to the LIMS system of your choice.

Tracking User Behavior

Acclaim Systems does not track the user behavior during the use of this application.

Automatically Collected Information

Acclaim Systems does not capture, keep or store any automatically collected information of the mobile application that you are using. All data is stored on your device and you are responsible for it.

Right to Deletion

We do not capture any personal information from this mobile application. We will however, on a receipt of a request for deletion respond to the requestor and ensure that no information is within our possession.

Please note that we cannot comply with requests to delete your personal information system in any of the LIMS systems that you send data to. This is because they are not under our control. It is your obligation to understand the privacy policy and use of data that is submitted to the LIMS system of your choice.

Changes to this Statement

Acclaim Systems reserves the right to change this Privacy Policy from time to time. We will notify you about significant changes in the way we treat personal information by placing a prominent notice on our site, and/or updating any privacy information on this page. Your continued use of the Application/ Services available through this application after such obligations will constitute your: (a)

acknowledgement of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.

Any changes to the privacy policies of any of the LIMS systems that you are submitting data to is under their processes and it is your obligation to understand how changes to these privacy policies are communicated. Use of our system to submit data to the LIMS system after the changes of the privacy policies of the LIMS service provider will fall under their statement of changes in their privacy policy statement.
